

Welcome to *Larry's Lease-a-Lair Warehouse*, where everyone from Lizardfolk and Liches to Wraiths and Wizards alike can find the Lair of their dreams designed to thwart even the most villainous of adventurers! Here at Lease-a-Lair, we recognize the demands on the time and attention of our customers and not everyone

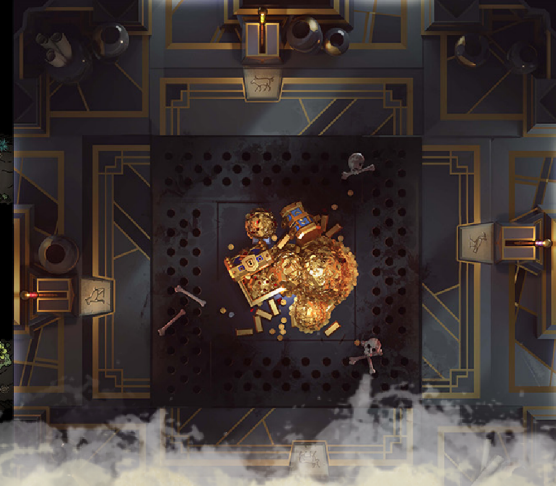

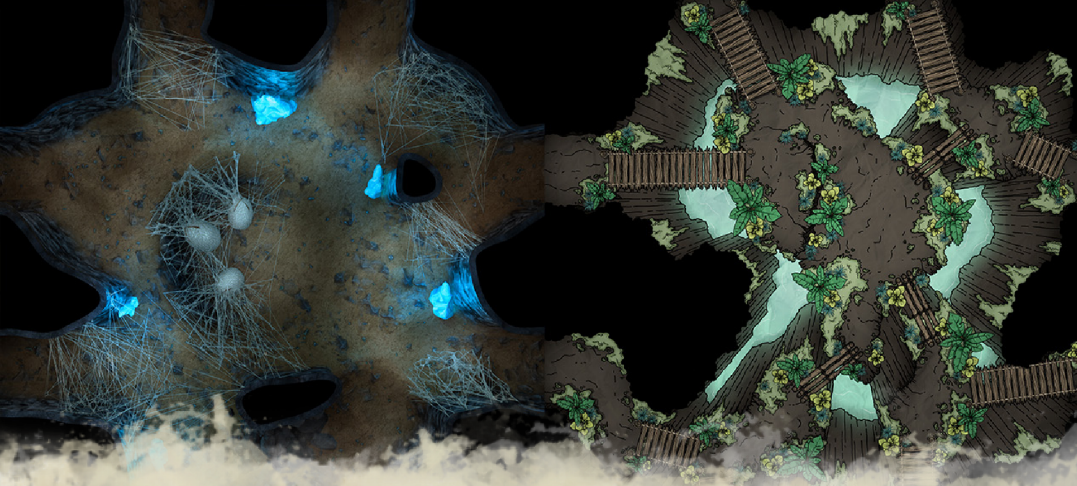

has the schedule to learn how to magically shape their environments and carve their lairs into the depths of volcanic mountains. So we bring the lair to you! Choose from our massive catalogue of modular lairs, which can be rented out for a modest fee to any witch or warlock looking to impress or thwart a band of eager adventurers. And, when the lease is up, all of our lairs can be found in the patented, secure, multi-dimensional Lease-a-Lair Warehouse, just a hop, skip, and a pocket dimension away!

Each map in this back is 8x8 squares (40x40 feet), have two exits, and we even provide a way to randomly choose maps if you want to run them as one giant, multi-dimensional warehouse of lairs!
